Description

La Girafe Qui a Mangé La Lune / The Giraffe That Ate The Moon French & English Bilingual Edition

“One day I’m going to be so tall, I’ll be able to eat the moon!” Sometimes it takes a big change for us to realize what’s most important in life. George the giraffe is the shortest giraffe in his herd, but all he wants is to be so tall that he can eat the moon. When his wish comes true, he discovers that being small might not be so bad after all, especially when he begins to miss his family.

As your children join George on his journey, they will come to realize the importance of home and loved ones, all while they learn a new language.

About Babl Books

Babl Books partners with award winning authors to bring your favorite books to a variety of

new languages for children all over the world to enjoy. Our bilingual books bring generations closer together through reading and language, help teachers connect with their students in their own language, and give children all over the world access to books they never would have access to. Babl Books is dedicated to overcoming language barriers that separate readers and great authors. The hassle is over in finding a remarkable, high quality bilingual children's book.
